

# Tickets Make Great Gifts

## Make Scratch-Off *Disney On Ice* tickets!

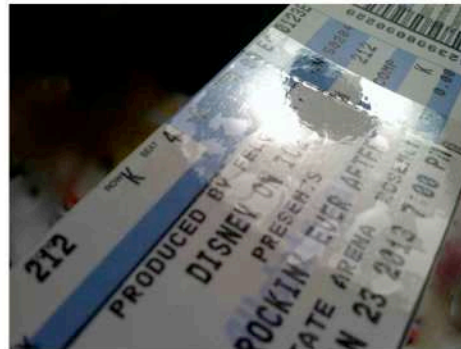

### What You Need:

- *Disney On Ice* presents *Rockin' Ever After* tickets
- Regular dish soap
- Silver paint
- Clear tape
- Soap dish or plastic container
- Scissors
- Paint brush

### Directions:

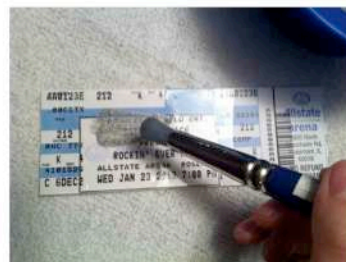

1. Cover the event name part of your ticket with clear tape. Note: Make sure to not tamper with the bar code on the ticket

2. In the soap dish or plastic container, combine one part dish soap and two parts silver paint (I used 1 tsp dish soap and 2 tsp silver paint)

3. Using your paintbrush, paint the mixture onto the piece of tape on your ticket.

# **Now you have scratch-off tickets as a way to give your children tickets to *Disney on Ice* presents *Rockin' Ever After!***

## **Bonus tips:**

1. After the first coat of paint, let the tickets sit to dry for 30 minutes before applying the second coat, to make sure your kids can't read through the paint!
2. Rather than applying the paint in strokes, dab it on so that you leave a lot of paint on the ticket. This decreases the chances of the scratch off part being transparent.
3. Make sure you don't get any paint on the bar code. That needs to be left untouched!
